*So you have graduated, now what? Will you be satisfied with the amount of education you have now, or will this be the commencement of your endeavors to push on to greater heights. Members of the 1979 class have attained many firsts for our school and the city of Portsmouth during the four years here. I hope that by this time you have begun to fill the gap between what you are and what you would like to be. Set your goal on the highest star and follow it there.*

*It has been a pleasant experience working with this class. You have the potential to be great men and women in your chosen fields. Thanks for sharing your talents with us. Congratulations on your many accomplishments and best wishes for a most successful future.*

A. T. Edwards  
Principal

# LINDELL WALLACE

*I am very happy to salute the members of the class of 1979 as they prepare to leave the "home of the mighty greyhounds" and become a part of the world of tomorrow.*

*In contemporary life, we find that man is curiously seeking the answers to hidden mysteries which have been ignored or neglected for centuries. The success of this research places man on the threshold of a new era. This will be a part of your life.*

*I. C. Norcom has given you the necessary experiences to prepare you for a vital role in the social order of the future. We are confident of your success in the pursuit of the goals of the good life. Your success will be a measuring device of the effectiveness of our school program.*

*I extend to you best wishes and good health.*

*Lindell Wallace  
Assistant Principal*

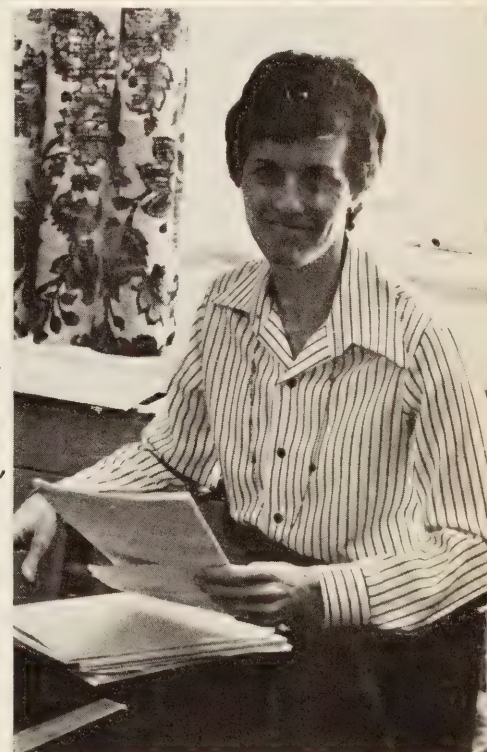

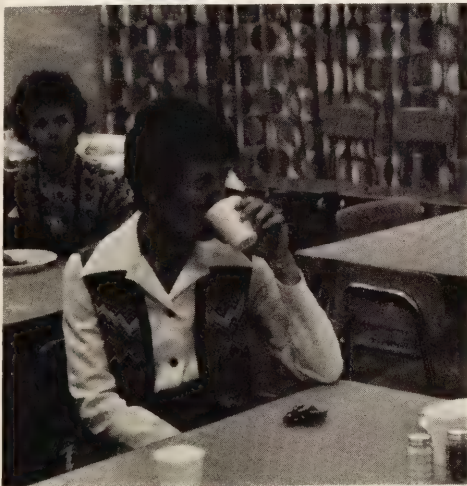

*Dear Graduates:*

*Congratulations to you for completing this phase of your formal education. I trust it has been a learning experience for you and that it is only the beginning of a happy, full life.*

*Some of you will be going on to college, some to post-secondary technical training, and still others into the world of work. I challenge you to know what you want from life, to work hard to meet your goals, and to be satisfied with your accomplishments.*

*May God richly bless each of you in the future.*

## CLASS POEM

### IT'S JUST THE BEGINNING

We are now embarking on our way,  
With no more dreams of yesterday.  
It's just the beginning and not the end  
The journey of life makes dreams begin.

We are no longer looking at life through glass,  
We will experience it first hand at last.  
We are out in the world, so big and wide  
To find out where our destiny lies.

What our future holds we do not know,  
We have to face life as it comes and goes.  
But we must remember whatever we do,  
Faith and Courage will carry us through.

A new generation, a generation with hope  
With life's troubles we must learn to cope  
For only by correcting the errors of the past  
Can we make our coming years better than our last.

It's just the beginning, and not the end  
The journey of life makes dreams begin.  
IT'S JUST THE BEGINNING !!!!

Cynthia Sherron

CLASS SONG  
(Tune: Don't Go Changing)

Don't go changing, because we're leaving,  
You never let us down before, Norcom.  
Don't imagine, we'll just leave you, and we  
Won't see you - anymore.

We would not leave you, in times of trouble  
We never could have come this far, Norcom  
We've had some good times, and some bad times,  
We love you just the way you are.

We need to know that you will always be  
The same old school that we once knew.  
Four long years of laughter, and of tears.  
For the faith we have in you.

We said we love you, and that's forever  
And this we promise from our heart, Norcom  
We could not love you, any better  
We love you just the way you are.  
Love you just the way you are.

# THE OFFICIAL CLASS RING FOR

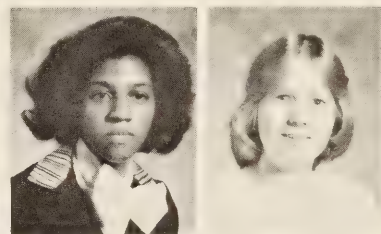

## I. C. NORCOM HIGH SCHOOL

This exclusive design was created for the students of I. C. Norcom High School. The left side of your ring features educational symbolism with clasped hands in the center symbolizing faith in God and your desire for peace. The atomic symbol at the top left is symbolic of your awareness of the atomic age of which you are a part. The quill and scroll at the top right provides space for your mark on the pages of history. The lyre is symbolic of the aesthetic values of your school life. The fleet foot symbolizes physical fitness which is an important part of your life. The right side of your ring contains the Greyhound and your personal graduation yeardate. The Greyhound represents your school's mascot and is the symbol of strength and endurance. The date symbolizes your first major achievement.

Softball is similiar to baseball, but it is played on a smaller field and a larger ball is used. It is especially popular for schools and public relations programs, because it requires less room and equipment than baseball. However, here at Norcom we have both baseball and softball. Baseball is played by the young men and soft ball is played by the young women.
